David,

We are trying to weed out as many issues as possible prior to filing testimony and at the same time, we are exploring whether there is any opportunity for settlement. The additional time would be greatly appreciated.

Shannon

Shannon:
Can you give me a little background as to why the extensions are needed?
Thanks,
David

Subject: Duke Energy Rate Increase Application - SC PSC Docket No. 2013-59-E; Request for Testimony Extensions; All Parties Copied

Good morning David,

ORS respectfully requests an extension for the remaining testimony dates for the Duke Energy rate increase application (Docket No. 2013-59-E). ORS proposes the following revision dates:

ORS/other party direct testimony – extend from June 17 to July 1

Rebuttal testimony – extend from July 1 to July 15

Surrebuttal testimony – extend from July 15 to July 22

The merits hearing is scheduled to begin July 31, and we are not proposing that date to change.

ORS shared these dates with all parties yesterday by e-mail and all parties responded that they did not object to the extension, except that ORS has not received an e-mail response from Mr. Weibel. ORS has been unsuccessful in reaching Mr. Weibel via e-mail. No telephone number was provided by Mr. Weibel in his filing with the Commission.

Lastly, if you would like ORS to send the request in a formal letter, we will be glad to do so.

Thank you for your consideration. We look forward to hearing from you.

With best regards,

Shannon
